When did you participate?

You should be actively engaged in the VoiceThread group, and you are required to participate over at least three days. Briefly describe how you participated on each day listed below. This could be as simple as, "I provided critique for three of my peers. I also responded to two questions about my draft." If you didn't participate on one of the days, simply put, "Did not participate."

Day 1) 11.05.2022 - I provided critique for three of my peers
Day 2) Did not participate
Day 3) Did not participate

How did it help?

Explain what feedback you got from your peers. Also, explain what you change about your project after getting feedback from peers or others.

I think with my feedback the students can watch their sketches from my point of view as a user and can change their sketches and those sketches will be better and user-related.
